SAMPLE CITY/TOWN COUNCIL RESOLUTION

RESOLUTION NO. #####

WHEREAS, a Massachusetts household would need to earn an hourly wage of \$28.64, or work 95 hours per week at the state's \$12 per hour minimum wage, in order to afford rent on a modest 2-bedroom home; and

WHEREAS, there are 299,505 extremely low income (ELI) renter households in Massachusetts that earn at or below 30% of Area Median Income (AMI), or \$28,923 annually; and

WHEREAS, there are only 46 rental homes affordable and available for every 100 ELI renter households across the Commonwealth; and

WHEREAS, 60% of ELI renter households are severely cost burdened, spending more than half their incomes on monthly rent; and

WHEREAS, households experiencing a severe housing cost burden are 50% more likely than those not experiencing a cost burden to face an eviction due to nonpayment of rent; and

WHEREAS, for the lowest income households, eviction often leads directly to the experience of homelessness; and

WHEREAS, 20,068 Massachusetts residents experienced homelessness on any given night in 2018; and

WHEREAS, the most effective solution for preventing eviction and homelessness is to help at-risk households remain stably housed; and

WHEREAS, the Massachusetts Department of Transitional Assistance (DTA) operated a successful rent arrearage program until 2003 that provided low income families with cash assistance to pay back rent, helping 96% of those who received assistance remain in their homes and avoid becoming homeless;

NOW THEREFORE BE IT RESOLVED, by the Council of [CITY/TOWN NAME] that [CITY/TOWN NAME] endorses the RAAP Campaign to restore the statewide rent arrearage assistance program and prevent homelessness; and
