Greetings!

Tomorrow, the Legislature's Joint Conference Committee on the fiscal year 2017 budget is set to begin its deliberations to work out the differences between the House and Senate proposed budgets for the year ahead. The compromise budget that comes out of the Conference Committee then will be brought to the House and Senate members for a final vote before being sent to the Governor.

As we reported last week, this year's House Conference Committee members are: Representatives [Brian Dempsey](#) (D-Haverhill, Chair of House Ways and Means), [Stephen Kulik](#) (D-Worthington, Vice Chair of House Ways and Means), and [Todd Smola](#) (R-Warren, Minority Member of House Ways and Means). The Senate Conference Committee members are Senators [Karen Spilka](#) (D-Ashland, Chair of Senate Ways and Means), [Sal DiDomenico](#) (D-Everett, Vice Chair of Senate Ways and Mean), and [Vinny deMacedo](#) (R-Plymouth, Minority Member of Senate Ways and Means).

In order to ensure that the Conference Committee's budget has the best language and highest levels of funding possible for housing and homelessness issues, **please ask your own State Representative and Senator to actively support the housing and homelessness priorities listed in [our letter to the conferees](#).**

For more details on our top three priority line items (RAFT, Emergency Assistance, and housing and services for unaccompanied youth), please see below.

For program fact sheets and additional materials, please go to our [Present Policy Campaigns page](#) and our [Conference Committee page](#).

Thank you for your advocacy and your continued support of housing and homelessness issues! We really are in the homestretch now!

Conference Committee Priorities

Our top three priorities are:

- **Expanding access to the Residential Assistance for Families in Transition (RAFT) homelessness prevention program:** Please ask your legislators to support the Senate version of the RAFT line item (7004-9316), which expands the definition of family to include elders, people with disabilities, unaccompanied youth, and other household types and adds \$500,000 to serve these households, while retaining level funding of \$12.5 million for families with children under the age of 21. The [RAFT Conference Committee fact sheet](#) and [one-minute online action](#) are here.
- **Allowing families to access Emergency Assistance (EA) family shelter before they are forced to stay in places not meant for human habitation:** Please ask your legislators to support the Senate version of the EA line item (7004-0101), which allows otherwise eligible families to enter EA without having to prove that they already have stayed in an emergency room, car, campground, etc. The [Emergency Assistance Conference Committee fact sheet](#) is here.
- **Funding housing and services for unaccompanied youth and young adults at at least \$2 million:** Please ask your legislators to support the Senate version of the unaccompanied youth line item (4000-0007), which is \$1 million more than the House version. The [unaccompanied youth Conference Committee fact sheet](#) is here.

Our [full priority list](#), including our Massachusetts Rental Voucher

Program, HomeBASE, Alternative Housing Voucher Program, Emergency Aid to the Elderly, Disabled, and Children Program and other requests, is here.
